Narrative While watching the video I observed a vehicle drive through the back of Paul's Funeral Home and appear to throw something out the passenger window. The only observations made were that the subject that threw the eggs had on what appeared to be a long sleeved dress shirt, was a white male and was operating (What appeared to be) a newer model Toyota Camry. I asked Mr. Hodges if he had any recent problems with anyone or had terminated anyone that may have a grudge against the funeral home lately. Mr. Hodges said that Derik Davis had recently been let go from the funeral home and that when he was let go he was not happy about the situation. I advised Mr. Hodges that I was familiar with Derik and that I would attempt to go and speak with him about this incident to see if he had any involvement in this incident. I asked Mr. Hodges how he wanted to proceed with this incident and Mr. Hodges said that all he wanted was for the incident to stop and did not wish to pursue any charges because there was no damage. I advised Mr. Hodges that I would contact him when I found out any further details. I thanked Mr. Hodges and ended our conversation.			
After speaking to Mr. Hodges I drove to Derik Davis' residence and spoke with Derik's sister. Derik's sister said that Derik was not home and she was expecting him back at any time. I then asked her if she would give Derik a message to call me and she said she would. I wrote down my phone number, name and asked Derik to call me. I thanked Derik's sister, ended our conversation and left the residence.			
After approximately one (1) hour or so Derik called my cell phone. I explained to Derik that I was calling to ask him about Paul's Funeral Home being egged and he said he didn't know anything about that incident. I then explained to Derik that the person that egged the funeral home was a white male, wearing what appeared to be a long sleeved dress shirt, operating a vehicle that was similar to the vehicle registered to him and that the incident was captured on video. I told Derik that Mr. Hodges did not wish to pursue the issue and only wanted the incident to stop. Derik agreed with me that the incident was childish and needed to stop. I thanked Derik and he thanked me for calling and we ended our conversation.			
After speaking with Derik I called and spoke to Mr. Hodges and told him about the conversation I had with Derik Davis. Mr. Hodges said that he was satisfied as long as the incidents stopped and did not wish for any further actions to be taken in the investigation of this incident. I thanked Mr. Hodges and ended our conversation. This incident is closed victim declined to pursue this matter any further. End of Supplement
